Established 1989

Dear Hartlyites and well-wishers,

This is to inform you that the piece of land adjoining the school premises, located across the Point Pedro Police station, by the District Magistrate Court premises is up for sale. This land used to be the residence of the former principal Mr. K. Pooranampillai.

The request to purchase this land by the principal was recommended by the trust to the HCPPA branches. The branches agreed to purchase the 6 laarcham 5 kuli land for Rupees five million and agreed to contribute towards the cost. To support the principal's initiative, Parents have already contributed Rupees one million. HCPPA Canada & USA branch agreed to contribute Rupees 1.3 million (C\$ 10,000) and the remaining 2.7 million will be contributed by the other branches.

In our experience, it has been always easier to find funding for the building when we have the land available. With this land, negotiations are already underway to build classrooms to house computer and English language laboratory with the help of an NGO.

At this juncture, it is appropriate to mention the status of the last major land purchase made by the associations on behalf of the school. A 5.6 laarcham land, located across from the school, was purchased for Rupees 3.2 million in 2010. As proposed, we are in the final stages of negotiating a funding deal with a Non-Governmental Organization from USA to build a vocational training centre at a capital cost of US \$ 300,000.

We kindly request Hartlyites and well wishers living in USA/Canada to join hands with us to support this long-term, strategic initiative by the HCPPA branches around the world by generously contributing towards our target of C\$ 10,000.

Your contributions will go a long way in improving the education standards of the school and the society in general. We thank you in advance for your contributions.

Please make your checks payable to **HCPPA Canada & USA** and mail to:
